

Hannah Chung

hannahyachung@gmail.com | www.linkedin.com/in/hannah-chung-598108213 | <https://hannahyachung.com>

Multidisciplinary designer and computer science student with experience in full-stack development, UI systems, and branding across academic, nonprofit, and product teams.

EDUCATION

Wheaton College, Wheaton, IL

B.A. Studio Art & B.S. Computer Science, Aequitas Global Public Health Fellow

- GPA: 3.97/4.00 | Expected May 2027

EXPERIENCE

Graphic Design Intern, Wheaton College Center for Vocation and Career January 2024 – Present

- Partnered with marketing and event teams to design campus-facing event campaigns and strengthen cohesive brand identity
- Developed multi-part event series branding systems, website redesign, and newsletter layouts
- Contributed creative direction for communications targeting students, faculty, and alumni

Media and Admin Intern, The Redemption Church January 2024 – Present

- Designed and managed weekly newsletters and announcement slides for church-wide communication
- Created visual communication materials for events in line with church branding

Graphic Design and UI Focus Intern, Anewgo June 2025 – July 2025

- Supported website redesign and launch through UI refinement, frontend debugging, and WordPress content migration
- Improved interface consistency and aligned product visuals with updated brand system

Teaching Assistant – Computer Science Department, Wheaton College September 2023 – May 2024

- Assisted multiple CS courses through grading, debugging support, and concept explanation

SKILLS & TECHNOLOGIES

- Languages: HTML, CSS, JavaScript, Java, Swift, C
- Tools: Firebase, Xcode, Figma, Adobe Creative Suite (Photoshop, Illustrator, InDesign)

PROJECTS

Habit Tracking App

- Full-stack web app using Firebase authentication and database; built with HTML/CSS/JavaScript
- Designed and implemented user flows for tracking and managing daily habits

Design Ideation App (iOS)

- Swift-based mobile app built in Xcode with Figma UI prototyping
- Focus on user-responsive, interactive design supporting the process of design ideation

Freelance Design Work

- Designed recruitment and promotional materials for student leadership organizations across campus

LEADERSHIP & ACTIVITIES

- **Publicity Manager, International Apartments** – created digital media for campus community events
- **Digital Artist, Storytelling Project** – provided visual design for student storytelling initiatives
